Women Political Leaders (WPL) is honoured to invite you to a panel discussion on “**Rebuilding Trust in Leadership**” co-hosted by **WPL and EY** during the **63rd session of the Commission on the Status of Women (CSW)**. It will take place at the **Westin Grand Central Hotel in New York** (right in front of the UN Headquarter) on the **11 March 2019** between **7.30am and 9.30am**.

“Trust is at a breaking point. Trust in national institutions. Trust among states. Trust in the rules-based global order. Within countries, people are losing faith in political establishments, polarization is on the rise and populism is on the march” (Antonio Guterres, September 2018).

Purpose led leadership needs to be the new paradigm, in business as well as political leadership. Today’s leaders need to step up to the challenge, and change their path of power. They are not called to preserve the status quo.

We look forward to welcoming you to the event and join the conversation.

Yours sincerely,

Silvana Koch-Mehrin
President of Women Political Leaders (WPL)
